

A Report on
One Day Online IPR Awareness Programme
(Under National Intellectual Property Awareness Mission)
Organized by Department of Chemistry, MDKG College
In collaboration with IQAC, MDKG College

The poster features logos for NIPAM, myGov, the Government of India, and the Intellectual Property Rights Awareness Mission at the top. Below these, it states 'IPR Awareness Programme (Under National Intellectual Property Awareness Mission)'. It also includes logos for '75 Azadi Ka Amrit Mahotsav' and 'G20 India 2023'. The text 'Creative India; Innovative India' is prominently displayed. The organizing body is the 'Department of Chemistry, M.D.K.G. College', in collaboration with 'IQAC, M.D.K.G.' and the 'Ministry of Commerce & Industry, Govt. of India'. The event is held 'on the occasion of Diamond Jubilee Celebration 2022-23'. A portrait of the resource person, Abhishek Kumar, is shown with his title 'Resource Person/Speaker, Examiner of Patents and Designs'. The event details are: Date: 27th Feb, 2023; Time: 11:00 am IST; Mode: Online via Google Meet. A registration link and QR code are provided, along with the note that all registered candidates will receive certificates.

IPR Awareness Programme
(Under National Intellectual Property Awareness Mission)

75 Azadi Ka Amrit Mahotsav

G20 India 2023

Creative India; Innovative India

Organized by
Department of Chemistry, M.D.K.G. College

in collaboration with
IQAC, M.D.K.G.
and
Ministry of Commerce & Industry, Govt. of India
Department for Promotion of Industry and Internal Trade
Office of the Controller General of Patents, Designs & Trademarks

on the occasion of
Diamond Jubilee Celebration
2022-23

Resource Person/Speaker
Abhishek Kumar
Examiner of Patents and Designs

Date: 27th Feb, 2023
Time: 11:00 am IST
Mode: Online via Google Meet

Pre-registration is mandatory
Registration Link: <https://forms.gle/6md6id78xvmdcn7D6>

All the registered candidates will receive certificates

Submitted by
Dr. Shreemoyee Bordoloi
Coordinator, IPR Awareness Programme
Assistant Professor, Department of Chemistry

Abstract

Intellectual property (IP) is a category of property that includes indefinable creations of the human intellect. There are many types of intellectual property, e.g., patents, copyrights, trademarks, and trade secrets. Intellectual Property Rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time.

Intellectual Property Rights Awareness is very important to generation of IPRs. IPR awareness training programme aims to inculcate the spirit of creativity and innovation of students of higher education and ignite and inspire them to innovate and protect their creations. Main objective of IPR is to ensure the creators that they will be recognized for their efforts and protected from infringement. Keeping this in mind we, department of Chemistry in collaboration with IQAC, MDKG College and Ministry of Commerce & Industry, Govt. of India have organized an online IPR Awareness Programme on 27th of February, 2023.

Summary of the programme:

This programme was organized under National Intellectual Property Awareness Mission (NIPAM). NIPAM achieves the target of training 1 million students on intellectual property (IP) awareness. NIPAM was launched by the Ministry of Commerce and Industry on 8th December, 2021.

The programme was started by the welcome speech by Principal, MDKG College, Dr. Nibedita Phukan. She appreciated and encouraged us for organizing such programme for students benefit.

Coordinator of the programme: Dr. Shreemoyee Bordoloi, Assistant Professor, Department of Chemistry, MDKG College, Dibrugarh, Assam

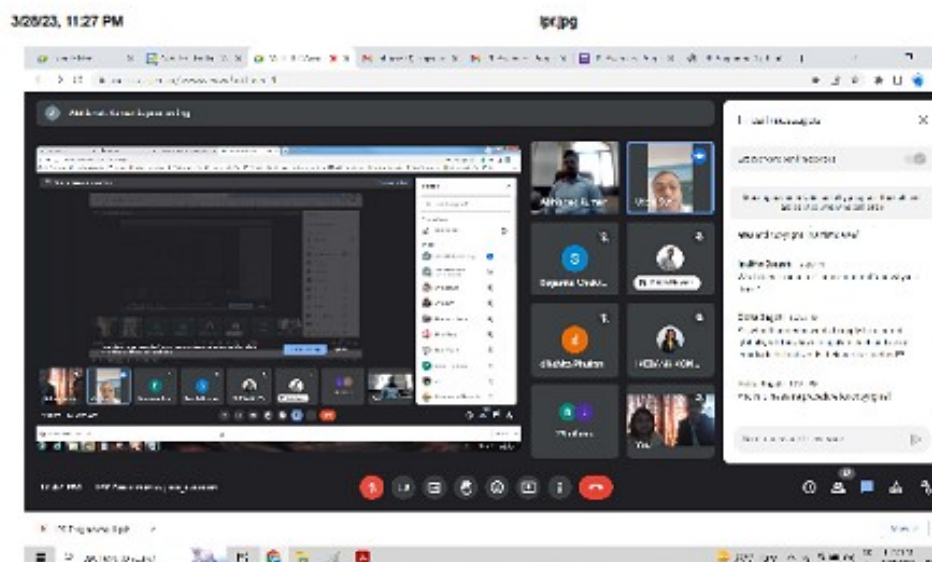

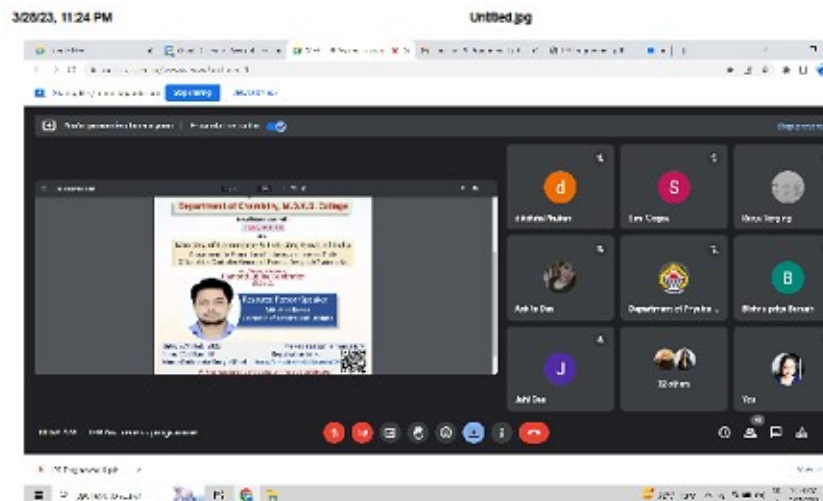

Resource Person: Mr. Abhishek Kumar, Examiner Patents & Designs, Govt. of India

Duration of the programme: 11.00 hrs to 12.00 hrs (2 hours)

Mode used: Google meet

Targeted participants: Undergraduate/Postgraduate students, Faculties of Colleges/Universities, Research Scholars

Some Photographs of the online programme:

List of the registered candidates:

A total number of 110 students participated the programme.

Concluding remarks:

The programme was very successful. Students were benefitted by the programme a lot. They got the basic knowledge about IPR, how an inventor/creator can apply for patenting their creation/invention. Participants asked their queries during the session. The session was very informative and the interaction of resource person and the participants was very enthusiastic.

Vote of thanks:

At last, at the end of the programme, IQAC Coordinator, MDKG College, Dr. Utpal Sut offered the vote of thanks to every person behind the successful completion of the programme.
